

## Non-Degree Permission Form Instructions

---

1. Review the [non-degree admission page](#) to identify which student type applies to your application.
2. Review the Georgia Tech catalog for [course descriptions](#) and [degree requirements](#). Indicate the course(s) of interest by course number on your non-degree permission form and identify the corresponding contact below.
3. Have a transcript copy ready to send along with your permission form to show your academic preparation for enrolling in the course(s) on your non-degree permission form.
4. Contact an academic representative once you have serious interest in enrolling as a non-degree student so they can complete the departmental section of your non-degree permission form.
5. Complete all sections of the [non-degree permission form](#) before uploading it through your admission portal or [mailing to the Undergraduate Admission office](#).
